

PATCH UP YOUR PET!

Learn how in a Twin Cities Red Cross Pet First Aid Class!

Your pets depend on you in ways you might not think about. But you should think about this: *The time between an emergency with your pet and the door to your vet is critical!*

Learn to give your dog or cat the comfort & care they deserve by signing up for a Pet First Aid class with the Twin Cities Red Cross.

This four-hour course will teach you how to deal with life-threatening situations like choking, breathing emergencies, and exposure to extreme weather. You'll also learn how to perform rescue breathing and CPR. And you'll be taught how to control bleeding, how to properly bandage wounds and other Pet First Aid skills.

Three registration options: When registering, choose which participant materials you would like to receive at class: materials featuring Cat First Aid, Dog First Aid, or both. Simply pick the appropriate registration option and receive your preferred materials (first aid guide and DVD) in the class. These materials are yours to use during training and to take home afterwards. Pet First Aid with Cat **OR** Dog guide and DVD: \$50.00; Pet First Aid with **both** Cat **and** Dog guides and DVDs: \$65.00
